Report of the activity

A Hunt Behind the Bonds/CHE-mantra- 2017 organized by by The Chemistry Association of Sree Sankara College is the second in series to develop and enhance love for chemistry. This chemical expo showcased experiments with still models, working models and various amazing and interesting facts related to chemistry. Selected students from nearby schools took part in the exhibition. It helped them to develop their interest in chemistry and mould their future for chemistry. It may be noted that these students who attend and participate in the above venture will be provided with participation certificates. Further, the expo was concluded with a presentation on various aspects of Chemistry and a quiz competition based on the experiments and information that we showcased.

Coordinator - Smt. Seena K Thomas
