Report of the activity

Postgraduate Department of Chemistry organised an **International Conference on Advances in Material Science (ICAMS- 2018)** - second in this series. The goal of the meeting is to emphasise interdisciplinary research on synthesis, structure, properties and application of advanced materials. The theme of the conference is " Emerging Biomaterials"

The special features are keynote speech, plenary talks and invited talks by leading scientists. The conference will provide the participants an opportunity to interact with the trendsetters in this field.

Convenor : Dr. Sreekala M.S

Co-Convenors: Smt. Manjula Krishnan & Smt. Seena K Thomas
