Report of the activity

National Mathematics Day has been celebrated every year on 22nd December to mark the birth anniversary of legendary Indian Mathematician Srinivasa Ramanujan. This year We, dept of Mathematics celebrated National Mathematics day by conducting a puzzle-solving competition for students with the help of the SMART scheme. The competition started at room no T17 at 10.00 am . Students from various departments (Physics, Chemistry, Statistics, and English) have participated. Out of 43 students, Lakshmi Anilkumar of DC 2 Chemistry won first prize. Ajith P M of DC 3 English got second prize. Alen Pauly of DC1 Chemistry and Reeja Mary Paul of DC 1 Maths secured third prize. Smt. Uma Maheswari P B was the convener of the program. Cash awards for winners will be distributed at the inaugural ceremony of the Mathematics Association.

Outcome of the activity

It helped them to improve their logical and rational thinking. It also helped them to develop and use their arithmetic skills. The competition made the students capable of independent learning and promoted decision making skills. It also encouraged them to think critically and solve the questions. As a whole the students enjoyed a lot and gained many new knowledge through the competition. The session helped the students to build strategic thinking and problem-solving skills.

Sree Sankara College, Kalady
Department of Mathematics

Dept of Mathematics in association with SMART conducted a puzzle solving competition for the students of Sree Sankara College as a part of National Mathematics Day celebrations on 22-12-2022
