

## About Sree Sankara College

Sree Sankara College, Kalady was founded in the year 1954 by Swami Agamananda, a social reformer and a foresighted scholar of Sri Ramakrishna Advaita Ashram. The institution was established with a view to perpetuating the memory and doctrines of the great saint and philosopher, Adi Sankaracharya. The college aims at the formation of intellectually creative, emotionally mature, morally responsible, spiritually enlightened, socially committed young citizens who will be agents of transformation in society.

## About Research & Postgraduate Department of Chemistry

Chemistry department was established with B.Sc. Chemistry in the year 1957. M.Sc. Applied Chemistry was started in 1998 and the department is elevated as research center in 2019. The department is enriched with 8 permanent faculty members, 2 guest lectures, 2 laboratory assistants, 140 UG students and 30 PG students and 5 Ph.D research scholars. Out of 8 faculty members, 4 of them hold Ph. D. Degree, and 3 of them hold M. Phil. Degree from well reputed institutions. Two of the faculty members have got post doctoral experience. The Chemistry department is well equipped with a DST-FIST supported Research lab and well equipped UG and PG laboratories. The department has got basic plastic and rubber processing machineries, equipments for basic chemical analysis etc. which can help the students to undertake their project works and research activities in the college itself. Department also conducting a 6 months certificate course of "water quality monitoring techniques".
