## ABOUT THE SPEAKER

Professor George Iwama is an eminent scientist in the field of Aquaculture and stress physiology and he is always at the forefront to apply his knowledge to aquaculture and to issues of climate change and pollution. He is a person who is interested in making science accessible to the public. Professor Iwama led the National Research Council of Canada (NRC) Institute for Marine Biosciences in Halifax, Nova Scotia as Director General. He was the Dean of Science and Vice President of Academics at Acadia University and the Dean of Science at Carleton University. He has held various posts at UBC including Special Advisor to the Vice President of Research and Innovation in Interdisciplinary Fisheries; Assistant Director of the Institute for the Oceans and Fisheries; and Vice Dean for Aquaculture and Strategic Initiatives in the Faculty of Land and Food Systems. He has served as Executive Vice President, as well as Provost, of the Okinawa Institute of Science and Technology Graduate University, in Japan. He served as the President and Vice-Chancellor of the University of Northern British Columbia, and most recently, he completed a term as President and Vice-Chancellor of Quest University Canada.

### *Organizing Committee*

#### **Organizing Secretary**

**Dr. S Mohan**

HOD

PG and Research Department of Microbiology

**Dr. Baby Chakrapani P S**

Department of Biotechnology, CUSAT

#### **Co-ordinators**

**Dr. Manju T**

IQAC Co-ordinator, SSC, Kalady

**Dr. Aneesa P A**

Department of Biotechnology, CUSAT  
Assistant Professor, SSC, Kalady

#### **Co-convenors**

**Dr. Jithasha Balan**

HOD, Department of Microbiology

**Smt. Sujayalakshmi K V**

HOD, Department of Biotechnology

**Smt. Sivaprabha T S**

HOD, Department of Biochemistry
