MEMBER SECRETARY, KDISC &
EX OFFICIO SECRETARY TO GOVERNMENT
Planning and Economic Affairs
(Innovation and Development) Dept.

December 9, 2021

Dear Sir/Madam,

The Kerala Development and Innovation Strategy Council (K-DISC) is a strategic think-tank and advisory body constituted by the Government of Kerala. Launched on March 24, 2018 under the Planning & Economic Affairs Department of the Government of Kerala, K-DISC was subsequently reorganised and registered as a Society on May 4, 2021, with the Honorable Chief Minister as the Chairperson and the Honorable Finance Minister as the Vice Chairperson. K-DISC aims at bringing out path-breaking strategic plans that reflect radically new directions in technology, product and process innovations, social shaping of technology and creating a conducive and vibrant ecosystem for fostering innovations in the State.

Young Innovators Programme (YIP) is a flagship programme of K-DISC, which aims at promoting a culture of innovation among the students aged between 13 and 35. K-DISC will support the students to develop and implement their innovative ideas by providing them with the required technical and financial assistance as well as mentoring and networks for converting their ideas into practical solutions. Winning teams at the district level will be given prize of Rs.25,000/- and winning teams at the state level will be given prize of Rs.50,000/-. In addition, attractive prizes will be awarded to institutions that enroll the maximum number of students in YIP.

YIP opens new avenues for students to channel their creative ideas, develop their problem solving skills, and subsequently pursue career paths with an accent on innovation. Participation in YIP would further benefit educational and research institutions by developing a culture of innovation that positions them higher in national and global accreditations and grading.

K-DISC has authorized ICT Academy of Kerala to conduct a series of Roadshows across the State, with the objective of reaching out to the maximum number of institutions and students, and enrolling over one lakh students in 30,000 project teams. To enable this, we request you to share with ICT Academy of Kerala, the contact details of your students (Name, Class, Mail ID and Phone number). K-DISC will ensure that the data is not be used for any purpose other than to contact the students regarding the Young Innovators Programme of K-DISC.

Yours Sincerely,

Dr. P.V. Unnikrishnan
