# ICGCES | 20 JULY 2023 KERALA, INDIA

## INTERNATIONAL CONFERENCE

### 2023

Green Chemistry and  
Environmental Sciences

## ICGCES - 2023

International Conference on Green  
Chemistry and Environmental  
Sciences

20  
JULY 2023  
KERALA, INDIA

Research and Postgraduate Department of Chemistry, Sree Sankara College, Kalady  
in Collaboration with  
School of Nanoscience and Nanotechnology, Mahatma Gandhi University, Kottayam

<https://ssc.edu.in>

### **Venue & Date**

*The ICGCES - 2023 will be held during 20 July 2023 at Sree Sankara College, Kalady, Kerala, India. Sree Sankara College, located in the idyllic town of Kalady, Kerala, India, stands as a symbol of academic excellence and holistic development. With a rich heritage and a commitment to nurturing young minds, the college has been an esteemed institution since its establishment in 1954. Named after the revered Indian philosopher and spiritual leader, Adi Sankara, Sree Sankara College offers a diverse range of undergraduate and postgraduate programs. Affiliated with Mahatma Gandhi University, Kottayam, the institution combines rigorous academics with a profound emphasis on character building and value-based education. Nestled amidst nature's beauty, the college campus provides an inspiring environment for intellectual growth and exploration. Surrounded by lush greenery and tranquility, it serves as a haven for knowledge seekers, fostering a conducive atmosphere for learning.*

### **Focal Theme: Green Chemistry and Environmental Sciences**

*The Green Chemistry and Environmental Sciences Conference is an event dedicated to promoting and advancing sustainable solutions, research, and innovation in the fields of green chemistry and environmental sciences. With a focus on creating a more sustainable and environmentally friendly future, the conference serves as a platform for knowledge-sharing, collaboration, and networking among professionals from diverse backgrounds. The conference aims to highlight the importance of green chemistry in developing environmentally friendly technologies, processes, and products. The conference provides a forum for scientists, researchers, and policymakers to discuss and propose solutions for environmental challenges. These challenges may include climate change, pollution, waste management, and biodiversity loss. By fostering interdisciplinary collaborations, the conference seeks to identify innovative approaches and practical strategies to overcome these issues.*

# Programme at a Glance

## Keynote Lectures By

### Technical Session I

**Dr. Nayeem Mullungal**

Department of Biological and Environmental Sciences  
Qatar University

*“Green Applications of Marine Natural products: an algal story”*

### Technical Session II

**Dr. Shaju SS**

Head, Department of Chemical Oceanography  
CUSAT, Cochin

*“Ocean Colour Remote Sensing for Environmental Research”*

### Technical Session III (Online)

**Dr. Shafeer Kalathil**

Assistant Professor, VC Senior Fellow  
Northumbria University, UK

*“Microbial Solutions for Climate and Energy Crises”*

### Technical Session IV

**Dr. Sarika A R**

Scientist  
KSCSTE, Thiruvananthapuram

*“Exploring the interplay of Microbiome and Environment”*

## Call for Abstracts

We invite researchers, scholars, and industry professionals to submit abstracts for oral presentations at the prestigious International Conference on Green Chemistry and Environmental Sciences. We encourage submissions that showcase original research, innovative methodologies, and transformative approaches towards sustainable solutions. Submissions should be made through the conference website no later than 18 July 2023. Selected abstracts will be presented as oral presentations during dedicated conference sessions, allowing presenters to showcase their work, engage in scholarly discussions, and network with leading experts in the field. Abstract should be send to the email [chemistry@ssc.edu.in](mailto:chemistry@ssc.edu.in)

## Registration fees\*

Delegates/Participants		
Students	Faculty	Industrial Professionals
₹ 250	₹ 500	₹ 2000

## Dates to remember

15<sup>th</sup> July 2023

Registration for delegates/participants

18<sup>th</sup> July 2023

Deadline for the submission of abstract

\*Registration fees can be paid by scanning the QR code given in the next page

## Patrons

*His Holiness Jagadguru Sri Sri Bharati Tirtha Mahasannidhanam*

*His Holiness Jagadguru Sri Sri Vidhushekhara Bharati Sannidhanam*

## Co-Patrons

*Sri. K. Anand*  
Managing Director | Sree Sankara College, Kalady

*Sri. C.P. Jaisankar*  
Chief Operations Officer | Sree Sankara College, Kalady

*Dr. Preethi Nair*  
Principal | Sree Sankara College, Kalady

*Dr. Anitha Abraham*  
DDO | Sree Sankara College, Kalady

## Convenors

*Dr. Jesitha K*  
Assistant Professor | Research and Postgraduate Department of Chemistry, Sree Sankara College, Kalady

*Smt. Manjula Krishnan*  
Assistant Professor and Head | Research and Postgraduate Department of Chemistry, Sree Sankara College, Kalady

## Co - Convenor

*Dr. Sreekala M S*  
Joint Director, School of Nanoscience and Nanotechnology & IIUCNN, Director, School of Polymer Science and Technology | Mahatma Gandhi University Kottayam

## Committee members

*Smt. Remadevi PR*  
*Smt. Sylajadevi P*  
*Dr. Seena K Thomas*  
*Dr. Gireesh M K*  
*Smt. Remya M Nair*  
*Dr. Vivek Ramakrishnan*

## Advisory Board

*Prof. (Dr.) Sabu Thomas*  
Former Vice Chancellor | Mahatma Gandhi University, Kottayam

*Dr. Harikumar P S*  
Former Scientist | CWRDM, Kerala

*Prof. (Dr.) Mohammed Afzal Pasha*  
UGC-BSR Fellow | Bangalore University

*Dr. Fateh V Singh*  
Associate Professor | VIT Chennai

## Address for correspondence

*Dr. Jesitha K*  
Assistant Professor | Research and Postgraduate Department of Chemistry, Sree Sankara College, Kalady  
T +91 9633598717
