SC/ST/MINORITY CELL
SREE SANKARA COLLEGE, KALADY
ACTIVITY REPORT
2020-2021

It was not possible to conduct programmes on a real platform owing to the Pandemic that struck the world. Online meetings were held and discussions were held with students. The SC/ST/Minority Cell made enquiries into the needs and problems faced by the students. As per the demands of the Government, we collected data concerning these students. It was found that some of the students had problems attending online classes due to not having mobile phones. This was brought to the attention of the college authorities, and steps were taken to ensure mobile phone facilities for the students. Convenor attended an 'Online meeting of SC/ST Conveners of MG University' conducted by MG university on 8.01.2021.
